## Climate x Indigenous peoples

The migrant solidarity mutual aid network comprises 20+ DMV area community organizations and hundreds more individual volunteers committed to supporting migrants being bused to DC by Governors Abbott and Ducey. Anchored by Peace House DC, Beloved Community Incubator, East of the River Mutual Aid, Sanctuary DMV, DC IWOC, Free Them All VA, and Conscious Community Action Together, the network has been showing up to welcome our new neighbors since April through solidarity not charity.

Call to Action:

- 01
- Donate: <https://www.gofundme.com/f/support-migrants-being-bused-to-dc-from-tx-az> or Venmo us w/ 'TX solidarity'
- 02
- Sign up to volunteer: <https://form.jotform.com/221046088744053>
- 03
- TX-DC Migrant Solidarity Shop <https://www.amazon.com/hz/wishlist/ls/JKOQCULD9O7M>

Indigenous Peoples and Forest Communities have made a lot of progress in the context of global negotiations, but they still face significant threats at home.

Call to Action:

You can learn more about specific contexts and support technical and political capacity building by going to

- 01
- <https://ifnotusthenwho.me/>,
- 02
- <https://www.alianzamesoamericana.org/es/fondo-territorial-mesoamericano/>
- 03
- <https://thetenurefacility.org/>.
- 04
- At the upcoming UNFCCC COP 27, you can follow their stories and promote these groups' efforts - on Twitter, follow groups like @ACOFOP, @alianzabosques, @IfNotUs\_ThenWho, @GuardianesBos, @RightsResources, @TenureFacility

## Climate x Water Security

### Oyster Reefs to the rescue!

Call to Action:

- 01
- <https://www.nao.usace.army.mil/About/Projects/Oyster-Restoration/>
- 02
- <https://youtu.be/UcN6RXT7qpw>
- 03

- <https://www.sciencedirect.com/science/article/pii/S0921800922000118>

## Climate x Communication

- 01
- Talk about it with friends and family
- 02
- Make it personal
- 03
- Communicate the 5 key beliefs:
  - It's real
  - It's us
  - Experts agree
  - It's bad
  - There's hope
- 04
- Vote pro-climate
